Station Puttur, Dated the 16th March 1934.

From (Name) M. R. Ry. M. Shiva Rau, Avergal,

(Designation) President, Puttur Taluk Board

To The Secretary to the Government of Madras,

Public Health Department.

Sir,

The Director of Public Health,

Madras.

Sir,

In accordance with resolution No. 222/6.2.34
(copy enclosed) of the Standing Committee of this Board
I am submitting the following for the kind consideration
of Government and request that Government may be pleased
to waive the recovery of Rs 25/- as per Invoice No.
19/34 dated 9.1.34 by the Director of Public Health
to the District Health Officer, South Kanara, being
the hire charged of five reels of three health pro-
paganda films ordered at my instance for use in ---

3eltangady from 24.12.33 to 1.1.34.

2. The Third Childrens' Conference was held in Beltangady during the last Xmas week and the films were got for being shown at the daily public entertainment given every night during the entire week and attended throughout by a concourse of about 1000 people. Unfortunately for us the new cinema projector got by the District Board just a few days previously did not work in spite of the utmost efforts of the District Health Officer who was in charge of it, on account of some internal disorder which has only been set right last month with the aid of an expert. The films could not therefore be exhibited at all and they were returned unused. The disappointment of all concerned was very keen and most of all to the District Health Officer himself who had not only sacrificed his holidays but personally laboured hard to set the machine right. It was the first time the projector was tried to be operated and the unfortunate result was failure. In these circumstances, the District Health Officer wrote at my instance for the necessary concession as to the hire of the films. The Director of Public Health in his reply (copy enclosed) says the Account Rules do not permit waiver of the charges. Hence this appeal to Government. 1, 2, 11/11/33

3. The film hiring business is not a wooden unbending commercial concern but a part of the public health activities of the Department. Every rule has an exception - or, at all events, an exception is made in exceptional circumstances. I submit that this is a fit case for the grant of concession. Strictness in levying charges to the last pie, regardless of circumstances, would only give a set back to the user of the films, which is certainly undesirable. The concession asked for is well deserved and I strongly urge that it may be granted at least as a parting gift to a dying Board.

Your most obedient servant,

M. Thiruvananthapuram
President. 16/3

of Public Health, Madras.

I regret that I am unable to waive the hire charges
as the Account Rules do not permit the same. When the films are
issued from this office on hire, the hire charges have to be
paid irrespective of the fact whether the films have been used
or not by the party. Please explain the position clearly to the
President, Taluk Board and arrange to remit the hire charges
into the Treasury as per bill Invoice No. 19 of 1934 dated
9.1.34.
